

An “L” Drawn For You

A large manga-style illustration of a girl with long, light-colored hair and large, expressive eyes. She is smiling and making a peace sign with her right hand. A small, white cat with a headband and a collar is perched on her head. In the background, there are faint, stylized trees and a soft, hazy atmosphere.

When I
looked
at his
confident
face...

I've
seen this
my girl
when
she was
a baby!

Ah, it's the
letter from
yesterday

That name
recalls.

I thought I need
to put more
effort into
making my face
like that too

MY NEXT PLAN FOR SUCCESS

That's why at
painful moments
I'll look at it and
do my best!

Starting today
I'm going to be
Souma-kun's
exclusive
manager!

I will always be
by his side
and support
him!

Kunoha

It would
be nice if
it turned
out like that

but it's
impossible
character-wise

It would be nice
if there was
something I
could do for
him.

The poster
design I
requested
from you
could you
draw it the
colour?

Okay

I will do it
sometime
today

Chatter
Chatter

We should
go home
together
since it's
the same
way

Is that
okay?

On second
thoughts, I'm
going home
I'm starving

!

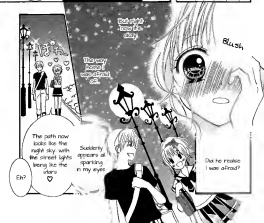

Unkai!

Speaking of
which, recently
there has
been news
about a
molester

Oh?

Ah

Shake!

That's right
how the
day

The way
home I
was afraid

The path now
looks like the
night sky with
the street lights
being like the
stars

En?

Suddenly
appears at
sparkling
in my eyes

Blush

Did he realize
I was afraid?

I was so busy
being happy
that my
delusions were
coming from
my mouth!

We may
be able to
see the
street
lights from
the sky

Follow
me

It can't
be his
serious?

This was our
secret base
when I was
in primary
school.

It's true!
It's just as
if I'm seeing
it from the
sky!

The feeling
it evokes
if you come
at night...

Thank you,
Kunohi-chan,
I had a new
experience!

Wah...

I wonder
if he's
tired?

He has
been
sitting
like that
for a
while.

At this
distance
my voice
won't
reach
him.

But...

I want
him to
do his
best.

It's no
good.

I just can't
seem to get
it a single
at all.

That's
right!

Kunsha-
chun!

It's almost
time to go
home with
Souzan-kun.

I clear
everything
up right
now!

I need to
look up the
classroom
soon.

Please hurry
up and go
home.

Yeah..!

I was told
to go
home, too.

It looks like
we will be
going home
the same
way again.
Is that okay
with you?

Souzan-
kun!

Thanks
for
earlier.

Since it was
Blue Kitty I
figured you
were still here.

Flap

Is that so.

Club Diary?

Saizen-kun
you dropped
something.

Thank!

It contains
practice
schedules
though I only
do it for
the sake of
my self
practice.

It doesn't
have any
pages left.

I need to
get a new
one.

All the
feelings
became
mutual.

Doki.

If he
confessed
to me.

Doki.

My mind
turns
fuzzy
when I think
of you.
I want
you more.

I want to be
by his side
even more.

He is so
close to
me.

Staff Room

Could we
meet up
during
summer
school
holidays?

Dok,

That's
true,
but...

Mentors
come out
and it's
dangerous
at night

It's
prohibited
to stay
after
school?

It's not like
you need
to finish
your work
so soon,
right?

Is there
anywhere
I can hide
to stay
after
school
hours?

No matter
what I want
to go home
with Sou-
suke!

But I'm
sorry

slam

Sousuke-kun..?

What?
Is that the
reason you
started
staying
after
school?

A lot
year saw
you going
home with
a girl

Havent you
started
slacking off
recently?

shock

Ek?

Do you
want to
lose again?

There are no
3rd years, so
get a grip!
You're the ace,
aren't you?

Could
that be
me?

Sorry.

Sousei-kun
was feeling
depressed.

It's my fault.

Because of me...

Because I wanted
to become the
source of his
strength, I tried
very, very hard.

Kureha-
chan?

Ah...
what?

I made Sousei-kun
look like that...

答

Am really sorry
Shizuka.

I can't allow
myself to be
depressed
forever

まぐぐ

That's
right!

I have to
think of
a way
we can be
together
without me
causing him
trouble.

Souken-kun
hasn't
passed
here yet,
has he?

It's
morning
already?

It's not what
it's not your
So don't worry about

Wait!

Yeah

Me too

I don't like
being apart
of all either

I love
you

That's
how
much.

Let's
write
in it
together

If I have you
to draw in it
I'll cheer up
right away

Did summer
always feel
like this?

An L Drawn For You

Kotayama was the Baseball Club manager during 3 years of high school.
So, when it comes to sportsmen, he's a baseball boy.
Boys who try their best at doing something are the most cool, aren't they? Or?

Please don't pay any
attention to the
fact that Souzouken
really resembles
Sabara. *by*

Souzouken has a
more gentle and
calmer image than
Sabara.

So much so that I
can't help but address
him with a "dada".

Kotayama and Souzou's
names are related
to Sabara, but anyone
noticed *by*

In order to draw their school
I was allowed to use my old
school as source material.
I would really like to thank
all my teachers, friends and
Kotayama for assisting me!
